

4-H TREE SEEDLING PROJECT PLANTING RECORD

NAME: _____

YEAR: _____

INSTRUCTIONS

To receive credit for your project and be eligible to participate in future tree seedling projects, complete the planting record on pages 2-4. The sections, *Area Description* and *Planting Record*, on page 2 may be completed immediately after you plant your trees. You should inspect your seedlings in June and August, recording your results in the section titled *Inspection Record*.

You are encouraged to take notes or use a journal to write about what you learn and what you do during the tree seedling project. Notes will be helpful in preparing your *4-H Story* on page 3. The story should tell about your experience with planting and raising your trees. Photographs of you working on your project may also be included.

On page 3 you should also note other activities related to this project that you completed.

Finally, make sure that both you and your parent/guardian sign on page 4.

Complete and return to the Extension Office by September 10.

AREA DESCRIPTION

Size of planting area (acre or fraction of acre) _____

Soil (light-sandy, medium, heavy-clay) _____

Topography (level, rolling, steep) _____

Previous land use (crop, pasture, forest, etc.) _____
